

Welcome to the Municipality of Sønderborg

Dear newcomer

You have chosen to live in Sønderborg and I am happy to welcome you to the area. The Sønderborg area is an amazing place to live and we will do our best to make you feel at home here.

A good place to start is at Newcomer Service in Sønderborg, who helps newcomers with all types of requests: newcomer@sonderborg.dk

If you need guidance, counselling and help when using the digital self-service solutions by the municipality and the government, you can contact our Citizen Service (Borgerservice) in Sønderborg, Nordborg and Gråsten: sonderborgkommune.dk/en/kontakt

At sonderborg.dk/newcomer you can find useful information and events for newcomers.

On our welcome website, which you can find at sonderborg.dk/welcomebooklet, you can download our welcome booklet and read more about the Sønderborg area's exciting cultural and leisure activities. On the site, you can also sign up for one of our two annual welcome days at the City Hall, where you will be welcomed and can meet other newcomers from around the world.

We hope that you will enjoy your life in beautiful Sønderborg. Once again, welcome!

Erik Lauritzen
Mayor
